MULTIMEDIA TOOLS AND APPLICATIONS
An International Journal

Special Issue on
Mobile Environment and Global Information Sharing Process

Multimedia Tools and Applications is planning a special issue on Mobile Environment and Global Information Sharing Process. Interested authors are invited to submit manuscripts based on recent results. Topics of interest consist of, but are not limited to:

- Mobile network architecture,
- Mobile multimedia network protocols,
- Wireless packet-based broadband network support for multimedia applications,
- Quality-of-Service (QoS) architectures for mobile networks,
- Mobile computing devices
- Data heterogeneity and interoperability in mobile computing environment,
- Query and transaction processing in mobile computing environment,
- Data Broadcasting issues in mobile environment,
- Mobile multimedia application issues and performance.

Submission Procedures:
All manuscripts are subject to review. Submitted manuscripts should not have been previously published or being currently submitted for publication elsewhere. All manuscripts should include a title page containing the following information: paper title, full name(s) and affiliation(s), complete postal and electronic address(es), and telephone and fax numbers of the author(s). In addtion, the contacting author should be clearly identified on the title page. Manuscripts should include a 300-word abstract and a list of keywords that identify the central issues discussed in the manuscript. Electronic submissions will not be accepted.

To be considered for this special issue of *Multimedia Tools and Applications,* prospective authors should submit five copies of their manuscript(s) to the guest editors by **May 1, 2000**:

Dr. A. R. Hurson
Professor of Computer Science and Engineering
The Pennsylvania State University
220 Pond Lab.
University Park, PA 16802-2701
Phone: (814) 863-1187
Fax: (814) 865-3176
Email: hurson@cse.psu.edu

Dr. M. Kavehrad
W.L.Weiss Chair, Professor of Electrical
Engineering and Director,
Center for Information and Communication
Technology Research
The Pennsylvania State University
229 EE-WEST
University Park, PA 16802-2701
Phone: 814-865-7179; Fax: 814-863-5341
Email: mkavehrad@psu.edu

Deadlines: **May 1, 2000**: Five copies of the manuscript are due.
August 1, 2000: Notification of acceptance.
September 15, 2000: Final version of the manuscript, including the original artwork, author(s) biographical information, and signed copyright forms are due.
