Subject: Invitation for a Seminar in the ECE Department at Temple University

Dear Prof. Kavehrad,

On behalf of the Electrical and Computer Engineering Department in the College of Engineering at Temple University, it gives me great pleasure to invite you to give a talk on Next Generation Data Centers on Wednesday, March 22, 2017. The seminar is expected to be an hour long and will be scheduled from noon to 1 pm. The intended audience are graduate students (both M.S. and Ph.D.) and ECE faculty members. Given your tremendous expertise and experience in the subject matter, the talk will be of great value to all attendees.

We would be honored if you would accept this invitation for a seminar. Please do not hesitate to contact me via email at [fauzia.ahmad@temple.edu](mailto:fauzia.ahmad@temple.edu) or at 215-204-3380, if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Fauzia Ahmad'.
